An Invitation to the 98th Annual Oklahoma ’89er Days Celebration

April 13–17, 2027 | Guthrie, Oklahoma

2027 Theme: “Stake Your Claim”

The Oklahoma ’89er Days Celebration continues a Guthrie tradition that began in 1890, when local settlers, farmers, and business owners organized a parade along Oklahoma Avenue. Since 1930, American Legion LeBron Post 58, working alongside community volunteers, civic organizations, and local businesses, has helped carry this tradition forward. We invite you to join us for the 98th annual celebration, April 13–17, 2027!

This year’s theme, “Stake Your Claim,” recalls the 1889 Land Run and the determination of those who helped build Guthrie. It also invites each of us to stake a claim in the future of our community through service, participation, and support for the people who call it home.

The ’89er Days Celebration is a major annual fundraising event for American Legion LeBron Post 58. The generosity of our visitors, sponsors, vendors, and community partners helps support the Post’s work on behalf of veterans, military families, and the broader community, while preserving a treasured local tradition for future generations.

There are many ways to participate: join the celebration, enter the parade, become a vendor, support a local business, volunteer on a committee, or contribute through a financial or in-kind sponsorship. Each contribution helps make the five-day celebration welcoming, memorable, and sustainable. Event schedules and participation details will be published as arrangements are finalized.

We encourage individuals, families, businesses, riding groups, and civic organizations to take part. For event updates, applications, sponsorship opportunities, and volunteer information, visit www.89erdays.com. You may also contact the ’89er Days Celebration Committee at 89ercommittee@gmail.com or (405) 282-2589.

Thank you for helping preserve Guthrie’s history and strengthen its future. We look forward to welcoming you in April 2027.

Respectfully,

’89er Days Celebration Committee
